

## Breakthroughs Small Group Discussion Questions

### Lesson 12 – Loving God

1. Why do you think it is so difficult to ask God to help us on a daily basis?
2. Can you identify any lies the enemy tells you about independence that keep you from asking God to help you?
3. What are some of the traps in your life that keep you from connecting to God through prayer?
4. In your own words, what is the connection between loving God and our freedom journey?
5. We have talked a lot in Breakthroughs about receiving God's love for us in our hearts, not just our minds. How have you grown in accepting God's love for you as His son/daughter?
6. The Holy Spirit lives in us and we need to ask the Spirit to fill us daily. Is asking the Spirit to fill you daily a new practice for you? Share what God is teaching you about the Holy Spirit and your freedom journey.

**Prayer:** Pray for the Spirit to fill and anoint the men/women in your group. Ask God to help the men/women in your group to rely on the Spirit and seek His filling and help daily.
