

Breakthroughs Small Group Discussion Questions

Lesson 2: Exposing Darkness

Group Leader Note: *Welcome everyone. Don't be afraid to make light conversation with the group as everyone is still getting comfortable. If you can keep time under control, allow them to visit a bit before diving into the questions.*

Group Leader Note: *Explain how we will read guidelines every meeting for consistency and for anyone new who may come in along the way.*

1. What is one thing you heard in the large group lesson that stood out to you?
2. As you begin Breakthroughs, what are you hoping God will do in your life through this class?
3. A significant part of Breakthroughs is recognizing how the enemy works in our lives. What are your thoughts about looking at lies the enemy tells you and learning to walk in freedom from those lies?
4. The lesson in our workbook last week is titled "Darkness vs. Light." Colossians 1:13 tells us, "He has rescued us from the domain of darkness and transferred us into the kingdom of the Son he loves." How does knowing this truth make a difference as we look at the "darkness" in our lives?
5. God loves you and wants to heal you and set you free from the darkness in your life. What are some practical ways that you can remind yourself of this truth this week?
6. The lessons in our workbook lead us to write down our thoughts, feelings and prayers to God. Participating fully in the workbook lessons is key to our healing and freedom in Christ. What challenges might we face in answering the questions in our workbooks?

Prayer: Pray for God to encourage your group and help your group commit their path to freedom to God. Pray that God would speak to their hearts, lead them and give them an excitement and hope for what He has planned for them.
