Breakthroughs Small Group Discussion Questions

Lesson 4: “little gods”

1. In your own words, how would you define “little gods”?
2. We learned tonight that “little gods” keep us from God. Why are “little gods” so effective in keeping us away from God?
3. Why does the enemy work hard at keeping us in bondage to “little gods”?
4. Exposing how the enemy works in our life is key to freedom. Is there one “little god” that you want to expose by sharing what it is in our group?
5. In your workbooks and our large group lessons, we are doing some hard work, looking at our past and identifying our pain. What are some challenges in doing this kind of work?
6. What will it look like in your life to turn to God with an “Honest Heart,” instead of to “little gods”?

Prayer: Pray for the men/women in your group. Pray for God to encourage them to keep trusting Him by taking their hearts to Him through prayer and asking God to set them free.
