Breakthroughs Small Group Discussion Questions

Lesson 9 – Receiving Forgiveness

1. What did you hear in the large group lesson that you felt God wanted you to hear so you could experience His healing and freedom?
2. Accepting God's forgiveness can be very difficult. What are some ways that the enemy works to keep you from accepting God's forgiveness?
3. What lies has the enemy told you about God's forgiveness?
4. We are in week 9 of Breakthroughs and have 4 more lessons for this session. What is one thing God is showing you or teaching you or setting you free from?
5. What is one thing that you desperately need God to do in your relationship with Him so that you can walk more closely and intimately with Him?
6. How do you feel about taking time this week and asking God to show you sins that you need to confess so that you can receive forgiveness and freedom?

Leaders: Encourage the members of your group to take time this week to pray about Question 5 (above) and seek forgiveness from sins in their past as well as ones they struggle with today. Confessing sins and receiving forgiveness is a HUGE part of our freedom journey. Pray for your small group and encourage them. Tell them how much God loves them and wants them to receive His forgiveness.
