

FORGIVENESS AND YOUR FAMILY

GROUP DISCUSSION QUESTIONS

- 1 It starts with our own hearts. Define what it means to be forgiven by Christ.
- 2 Forgiveness is founded on honesty. That is being honest to ourselves and to our spouses. What is the opposite of having an honest marriage? Which type of marriage would you prefer?
- 3 What do you think about Chris' story about the father and son? Have you had an experience like this growing up or with your own kids?
- 4 One of the biggest lies we believe is that forgiveness is for other people. It is not just for your spouse or kids, It is for you as well. How are you walking in that forgiveness daily?
- 5 Three keys for creating a culture of forgiveness in our homes are honesty, seeking truth, and modeling. What would you add to this list?
