

# SHOPPING SPREE DATE

For this challenge, each person buys a bunch of items for the other based on the list provided.

## STEP ONE

Go to your favorite store (Wal-Mart and Target are great options). You will get separate baskets, split up, and get the items on the list for your spouse. Make sure you check out separately. Try and hide what you are purchasing until you get back together.

## STEP TWO

Find a spot to exchange items--maybe a coffee shop or a bench in the park. Then reveal your items either one by one or on the count of three show what you got each other at the same time.

## Items List:

1. Favorite Drink
2. Favorite Snack
3. Favorite Color
4. Something that reminds you of them.
5. Something Practical
6. Something silly NOT Practical
