

# BACK TO SCHOOL GAMEPLAN

*It's that time of year again. We will start to see the sweet pictures on Facebook and Instagram of kids heading out the door on their way to school. Regardless of the age, one thing remains the same, it can be a scary, exciting, and challenging time for the kiddos and the parents. You can thrive this school year with a game plan. Use the one page to be intentional and set some goals for the semester. Print a page for each person in your family and crush some goals together.*
